

# FIRDAVS NORMURODOV

## FULL STACK DEVELOPER

### ABOUT ME

My name is Firdavs Normurodov, I am 20 years old. I am very interested in programming and technology. In 2022, before finishing high school, I started programming, where I learned technologies such as HTML, CSS, SCSS, Bootstrap and JavaScript. I have always worked on myself and learned advanced technologies such as Vue.js, React.js Next.js and Node (Express). Building websites is my passion, and I host my projects on free hosting platforms. I am passionate about AI and robotics developments, and I enjoy working in a team.
